

Our
Lady
of
Perpetual
Help

Dear Marco,

August 29, 2016

I wish to express the deep gratitude of all our parish for your recent construction projects to our parish church from April – July 2016.

My special thanks to you and your team for the wonderful job you did on the building restoration and project. The much-needed repairs and construction to our building site were completed in a timely fashion and performed with expertise and we especially appreciated your suggested modifications.

The parish congregation noticed and appreciated your attention to detail and your determination to complete the work on time. Even our Bishop commented positively on the recent restorations.

Your hard work and dedication work has added a whole new look to the interior of the church and enhanced our parish anniversary celebrations in July.

A huge *Thank You* for your very generous donation to our parish. Your generous gift allows us to further enhance our church interior by allowing us the freedom to provide a new liturgical supplies for our Mass celebrations. Your thoughtfulness is valued and very much appreciated.

On behalf of all the parishioners of Our Lady of Perpetual Help Church,
Thank you.

Rev Antonio Del Ciancio
